LLANFIHANGEL Y PENNANT COMMUNITY COUNCIL

Minutes of a Council meeting held on Monday evening the 14th of October 2024 at 7.00pm in the Ganolfan, Abergynolwyn.

Present; Cllr. Elwyn Evans, Miriam Webb, Gwynedd Roberts, Steve Lewis, Eleri Puw, Dylan Jarman, Robert D Jones, and Cllr Bethan Lawton (Gwynedd Council) and Huw T Jones (Clerk)

1. A warm welcome was extended to everyone by Chairman Elwyn Evans. There was an apology from Cllr Emrys Thompson.

2. It was noted that there was no request to have presentations from members of the public on matter on the Agenda.

3. The minutes of the meeting held on the 9th of September were confirmed on the proposal of Cllr. Gwynedd Roberts and Seconded by Cllr Robert D Jones.

4. Matters arising

a) Highways/pathways issues.

Gwynedd Council's response to the hedges overgrowing on Llanegryn Street was reported - and that a letter had gone to the owners. It was noted that a lot of work had been done, but some owners still needed to be reminded. It was suggested to ask a representative from the Council to come down to see the situation.

In relation to making a path on the playing field, the estimate was noted by Cllr Steve Lewis which had been distributed to everyone, and many thanks were given to Steve. The materials were £400, and the estimate no more than £1000 for the whole. It was suggested to have slightly larger posts. It would not be possible to start before February

. b) Talyllyn Railway/Heritage Site - in relation to the slate wagon project, the Clerk noted a meeting with Elin Wiliam from Gwynedd Council, who had succeeded Anna Lewis. An update on the slate wagon estimate was noted by Liz Porrett, but concrete figures were needed. It was decided to invite Elin to our next meeting, but we needed to know the timetable of the grant application etc.

While discussing this, reference was made to the gravestone of a former doctor from Abergynolwyn (Dr Rowlands was active when the quarries were at their peak) who had been buried in Tywyn - and that the stone/memorial stone was broken. It was asked if the Community Council could help. It was seen that it was necessary to know exactly what the situation was. The Clerk would put this on the agenda next time.

c) A tree damaging a wall - there was no update, but it was noted that this would be planned soon.

d) Inspection of the playing field by ROSPA - it was noted again - following the Annual Inspection there were some issues that needed attention. Estimates would have to be discussed at the next meeting.

e) Consider estimates to cut a rhododendron tree (and kill it) in Y Fedw Abergynolwyn cemetery. Prices on hand were reported by Arwyn Davies and Kevin Jones. As there was talk of more work there, which included re-erecting a wall and needed an explanation about clearing the tree, it was noted that the site should be visited. It was asked if Cllr Emrys Thompson, Elwyn Evans and Gwynedd Roberts could visit, and report by next time. It was noted that a copy of the 'waste transfer notice' is required to be kept with the Council's papers in case there is an enquiry.

5. Planning Matters

It was confirmed that there were no issues since the last meeting.

6. Finance Matters.

a) Accounts 2023-24 - where queries were identified to be answered

b) The following invoices were received, and it was agreed upon the proposal of Cllr Gwynedd Roberts and seconded by Eleri Puw to pay them;

HG Web Designs - Community Council website maintenance - £250.

In relation to Un Llais Cymru's invoice for training 18.09.24 - Cllr Miriam Webb noted that she had not been able to attend, although she had received papers. The Clerk would contact Wendi Patience.

It was noted the need to update the bank's mandate, and that those who sign would have to start the process.

7. Councilor Beth Lawton's report (Gwynedd Council)

A full report was given by Cllr Beth Lawton about her work in the area - among the issues were the following;

- The recommendation to put a 30mph restriction around Talyllyn, and that this goes to the Planning Committee
- Work with Ysbyty Tywyn, and that she has pressed for a meeting with the Health Board and that this takes place next Friday
- Work with the Housing Scrutiny Committee - which saw how Housing associations work.
- He would get an update on the financial side of Gwynedd Council, and the concern about cuts
- Meeting to discuss the STV voting system

8. Report of Cllr. Elwyn Evans, representative of One Voice Wales.

Cllr Elwyn Evans referred to 3 Area Committees and one Policy Committee there had been since he last reported.

He mentioned a presentation by David Jones as Chief Warden of the National Park, and Rhys Gwyn's work - mainly balancing nature and tourism. Also litter problems.

It was mentioned that the governance of Community Councils was being considered by the Senedd Committee, but there was concern that there was not enough discussion with Un Llais Cymru.

He also mentioned the Annual Welsh One Voice Conference on Wednesday 16th October. He also mentioned the intention to close Air Ambulance centers going to a judicial review.

9. Correspondence.

a) It was noted that the Development Note for exercise 8 – One Voice of Wales had been received, which contained useful links. The Clerk would send it out to everyone.
